Independent Reading Survey

How do you feel about reading (there is no right answer ☺)?

How many books would you say you owned?

How many books have you read in the last month?

What is your favorite book you have read recently?

How often do you read at home?

How did you learn to read?

What strategies do you use while you're reading to help you?

What do you think makes a good reader?

Who do you know that is a good reader?

What strategies do you use to help you choose books from the library (classroom or public)?

What genres of books do you like to read?

Who are your favorite authors?

How can I best help you as a reader this school year?
